

Ser. No. 10/732,762
Group Art Unit 3745

Remarks

These amendments are needed simply for correction of minor typographical errors. The scope of the claims has not been changed in any way by this amendments.

Specifically, the term "housing" was replaced with "valve block" from claim 26 to be consistent with the preceding claims. The preambles of claims 15 and 16 are also amended to make these claims consistent with independent claim 12 from which they depend.

Pursuant to 37 C.F.R. §1.312 and MPEP §714(16), this amendment may be considered for entry because (a) the submitted amendment is needed for proper protection of the invention; and (b) the amendment requires no more than a cursory review by the Examiner. Applicant therefore requests entry of this Amendment After Allowance.

Finally, it is noted that claims 12-30 were allowed. However, claim 14 was cancelled, so the allowed claims should be 12, 13 and 15-30.

Please call the undersigned attorney if there are any further questions.
